

St. Peter Church Outreach

Summer Book Drive

Holy Names Catholic School Library recently was flooded, and a large number of their books were damaged! They have an urgent need for books for students in grades 1-8.

What to bring?

- New or gently used children's books
- Your favorite children's book or any great book for kids
- Books sitting on your shelf at home and needing a good home
- Books for children grades 1-8

When and where?

- West Tower in the back of the church
- Any Sunday, by July 12 (We need time to get the library ready for the first day of school!)

Holy Names Catholic School has operated in downtown Memphis as part of the Holy Names of Jesus and Mary Parish since 2002. It is located at 709 Keel, and is one of the Diocese of Memphis Jubilee Schools. The exceptional school curriculum includes religion, accelerated reader and math, Spanish, technology, and music, and students may also participate in soccer, basketball and baseball athletic programs. The after-school care for students is an educational program with tutors from Christian Brothers University, Rhodes College, Christian Brothers High School, St. Agnes Academy, St. Benedict High School, and Houston High School. Holy Names aims to help students develop a spiritual foundation based on the Holy Bible and raise educational levels and academic performance so graduates will be prepared for higher education.
