STEWARDSHIP OF TREASURE CALCULATOR

HOW TO MOVE GRADUALLY toward stewardship—giving that is planned, proportionate, and thankful.

1. Find your household income at the left of the chart.
2. Move across that same line to find the amount that you currently give weekly to the parish collection.
3. Move straight up the chart to find what percentage of your income your current gift to St. Peter Parish represents.
4. Consider committing at the next level (to the right.) For example, if you are presently giving 2% to St. Peter, consider giving 3%. Or, if you feel more is needed to reflect your gratitude, set your standard higher.
5. Consider setting your eventual tithing goal (5-6% to parish, 2-3% to diocese, remaining percentage to other Catholic organizations—educational, charities, etc.) By taking just one or more steps at a time each year, you can get there.

CATHOLIC CHURCH

STEWARDSHIP OF
TREASURE

STEPS TO DISCERN AND CALCULATE YOUR PLEDGE

1. Prayerfully consider the three stewardship principles
2. Review your offertory giving levels for the past two years
3. Using the Stewardship Calculator, determine what percentage of your income that it equals and ask what level would properly reflect your appreciation of God's many blessings
4. Set a goal for this year to jump by one or more steps, then consider your longer term tithing goal
5. Review the Stewardship Calculator on the other side to see where your gift lands among the various levels
6. Consider **WAYS TO FULFILL YOUR PLEDGE:**
 - Pay with check or cash and return in your church stewardship envelope
 - Give appreciated stocks directly to St. Peter and take a deduction for appreciated value
 - Sell stocks that are worth less than purchase price, take the loss deduction and give proceeds
 - For those 70-1/2 and older, give directly from your retirement funds as part of your Required Minimum Distribution to make a 100% tax free gift
 - Set up an automatic payment with your bank
 - Pay online at www.stpeterchurch.org and click on "Give"
7. Fill out your pledge card and return in the enclosed envelope (either mail or place in the collection basket)
